Dear NEMPAC Supporter,

The North End Music & Performing Arts Center (NEMPAC) will be presenting its third annual Handel's **MESSIAH** performance on **Wednesday, December 13<sup>th</sup> 2017 at 7:00 p.m. at the St. Stephen's Church in the North End of Boston.**

We are fortunate to partner with the Eureka Ensemble, the Boston Landmarks Orchestra One City Choir, NEMPAC Soloists, and the NEMPAC Youth Choir made up of students from both the St. John School and Eliot K-8 Innovation School. Truly, the project is a joy-filled multi-generational community collaboration.

Last year this production was a holiday gift for many. Over 510 audience members who were residents, visitors, families and friends attended the concert. The Messiah production is a true embodiment of a NEMPAC program helps us to fulfill our mission in the community and displays the transformative power of the arts.

In order to keep a low-cost ticket for our community this year, and also offer free tickets to our senior center and low-income families, we are looking for sponsorship support to cover the costs of the production.

If you or a business you know may be interested in supporting our project this year, please see below actual costs associated with the creation of this program. Please contact me with your sponsorship interest and/or commitment at [ssnow@nempacboston.org](mailto:ssnow@nempacboston.org) or by calling 617-227-2270 before Nov. 25, 2017.

Sponsors will be included in our printed program and in all publicity and marketing for this special event.
